JOB'S TEARS

Aphorisms

LOVE, LOVER
AND
BELOVED

The Ka'aba is a fragment of the
spiritual sky fallen to earth.

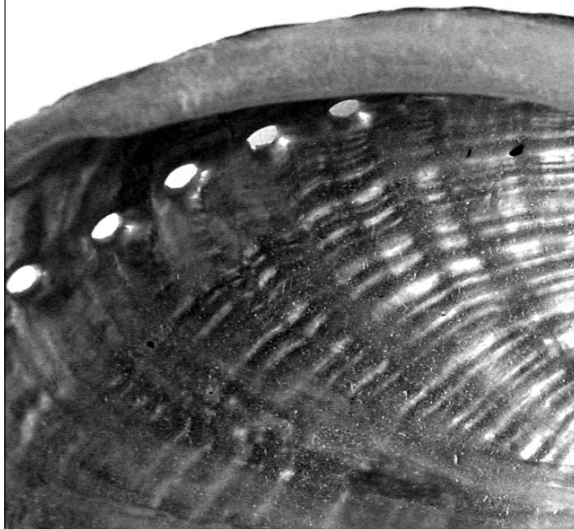

Wholeness in variety is heart;
wholeness in unity is soul.

My heart may break, but my spirit
never.

WHEN YOUR DEEP FEAR HAS FOUND
YOU

beside you on the dunghill.

as it turns to face you.
It will marvel as fire
comes to eat from
your hand.
